### **Variety at Work August 2016**

Every day during August there were requests for help with uniforms and school shoes and as I write the requests are continuing to come in. Many of these requests come via Health Visitors, Brighter Futures and the CAB. There were also requests for help with food. It would seem that the low income families cannot manage the extra expense of school uniforms and their food shopping. These requests represented £5,743.60 of this month's expenditure.

We also paid for an All Terrain Buggy for a delightful little boy who has mobility problems and attends Mont a L'Abbe school. We paid for 56 children to have a light lunch at the Battle of Flowers funfair. Despite the appalling weather the children had a great time. We are extremely grateful to James Cole for giving these special children this treat.

The totals for this month were 54 families with 117 children amounting to £8,979. 60. and the total for the 11 months of our financial year to date are 212 families with 459 children amounting to £39,454. 30.

Any business or individual who would like to help Variety towards this extremely valuable aspect of our work may do so, either by sponsoring a regular amount or simply by making a donation. This can be done either by contacting the Variety Office at [admin@varietyjersey.org.je](mailto:admin@varietyjersey.org.je) or by telephoning 856937.
