Variety at Work Report **November 2017**

November was a relatively quiet month with most of the requests for food. At the request of the Health Visitors we also supplied baby items, nappies and baby milk for 6 families. The additional items were for a washing machine for a low income single parent Mum with two children and a single bed and mattress for a young boy.

The totals for this second month of our financial year are 20 families with 41 children amounting to £1,611. 50. and the total for the financial year to date are 49 families with 97 children amounting to £4,434. 05.

Children's Christmas Party

With sincere thanks to Chief Barker Robyn Lapidus who donates the party, this will be held later today 7th December. We have 79 people coming along 40 of which are children. This is less than usual, even though I have set an earlier time, but I am sure this is because it is a weekday and the children will have school in the morning.

50th Anniversary Party

This will be on Sunday 24th June 2018 at the RJHS. The venue has been reserved and I am getting together a list of anticipated costs and planning times and entertainment.
